## BOOK SYNOPSIS

Backpacker brings the outdoors straight to the readers doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the worlds first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpackers Editors Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.
