BOOK SYNOPSIS

The creation of a licensed electrical engineer with more than 20 years of experience as an SM player, Juice is a first in its field. With a basic overview of the physics of electricity from an SM viewpoint, an exploration of electricity's effects on the body and descriptions of the functions and sensations of the many types of electrical toys available both through the S/M community and in the outside world. Cartoons illustrate the three Ps and throughout, Uncle Abdul's wicked and pun-laden sense of humour lightens and informs the text.

JUICE ELECTRICITY FOR PLEASURE AND PAIN - Are you looking for Ebook Juice Electricity For Pleasure And Pain?
