BOOK SYNOPSIS

Who Will Care for You in Your Time of Need . . . Formulating a Smart Family Plan to Age-in-Place: The Reckoning Whether you're nearing retirement or have decades before you enter retirement, you will be confronted with four inevitable lifestyle crises: 1) How will you manage your own care when your independence is in question? 2) Will you have the resources and assistance to help manage your care? 3) Will you have one or more chronic health conditions/disabilities that will jeopardize your future independence? 4) In addition to your care, will you be responsible for the care of an aging parent, family relative, or friend? This book aims to direct people of all ages to start thinking early about your future life by developing and formulating a smart family plan to live healthy and stay in your own home (aging-in-place). The goal is simple. Formulate early a smart aging-in-place plan for a future lifestyle of health, senior independence, and a safeguarded quality of life.
